Excerpt: . . . 11 These new and emerging technologies at the present time are more expensive than conventional vehicles, and they must compete with them. As these technologies gain consumer acceptance and production increases, the cost differential between these vehicles, conventional vehicles, will be reduced or eliminated. Mr. Chairman, the CLEAR Act would provide tax incentives to help offset the higher cost of these vehicles so that consumers can - the cost to consumers can be held at a competitive level. This legislation provides incentives for a broad spectrum of vehicle and fuel technologies, and that is important, because the choice of the right vehicle and its attributes is best left to the consumer, not to the government decisions or limitations. This legislation would develop a wide range of advanced technology and alternative fuel, such as fuel cells, hybrids, dedicated alternative fuels and battery and electric - battery...
