

Conflict, Community, and Honor: 1 Peter in Social-Scientific Perspective

Filesize: 5.9 MB

Reviews

It is one of the best publications. It is definitely simplistic but exciting in the 50% of the ebook. I am very happy to let you know that this is basically the greatest publication I have ever gone through within my own existence and could be the greatest pdf for ever.

(Dr. Anya McKenzie)

Wipf Stock Publishers, United States, 2007. Paperback. Book Condition: New. 201 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Endorsements: Affirming that 1 Peter represents from beginning to end a coherent and integrated line of thought, Prof. Elliott seeks to show in these two essays how this pastoral letter, forged to respond to the alienated situation of its readers, employs the conceptuality of the moral discourse and pivotal values of honor and shame that reigned in its contemporary world. The book is an excellent introduction to Prof. Elliott's seminal work in applying social-scientific analysis of this New Testament writing, and will richly reward its careful reader. --Paul J. Achtemeier author of 1 Peter (Hermeneia) [This volume] reveals the letter in its own context, in such a way that we can appropriate its message and values into our own. --Carolyn Osiek coauthor of A Woman's Place: House Churches in Earliest Christianity Here, as elsewhere, Elliott expertly joins the findings of social-scientific research with the insights of literary and theological analysis to clarify the good news that is proclaimed in this often-overlooked New Testament writing. --Victor Paul Furnish author of The Moral Teaching of Paul About the Contributor(s): John H. Elliott is Professor of New Testament Emeritus at the University of San Francisco. Among his numerous publications are A Home for the Homeless, The Elect and Holy, What Is Social-Scientific Criticism?, and 1 Peter (Anchor Bible).
