WHO GETS THE KIDS: THE ULTIMATE GUIDE FOR CHILD CUSTODY IN VIRGINIA

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Ah, remember the oh so popular show the Brady Bunch? Well, when you stop to think about it, the Brady bunch was a blended family! I dont ever recall seeing an episode that involved the other parents (sources say the writers made Mike Brady a widower and that Carol Brady was divorced) BUT wow can you imagine the custody battles that could have been written into this show?! Coordinating mid-week visitation, overnights, extra-curricular activities and weekend schedules for six children could have been a NIGHTMARE! You may have your own Brady Bunch, or you may be thinking about ending a marriage but need to know what could happen to your parental rights. Either way, if you have questions about child custody in Virginia, this resource is available to you! This book will inform you on how courts determine child custody in Virginia. This book helps you navigate through the following issues: I am not married and have never had my childs paternity determined by the court. You and your spouse have agreed to separate, but cannot reach an agreement on primary custody or visitation for your minor child(ren). Your spouse has abandoned you and/or your children. You think you may be entitled to child support, but just dont know where to start. You have been told you are obligated to pay child support, but dont think you can afford it. Should I ask the courts to intervene, or can I make my own arrangement with the other parent? This resource covers subjects such as: How to file for child custody in Virginia What is the difference between legal custody and primary physical custody What factors...
