

Criar a Nuestros Hijos Creciendo Nosotros: Transformando El Vinculo Entre Padres E Hijos: de Reaccion y Lucha a Libertad, Poder y Disfrute

By Naomi Aldort

Book Publishers Network, United States, 2015. Paperback. Book Condition: New. 231 x 153 mm. Language: English,Spanish . Brand New Book. Every parent would happily give up ever scolding, punishing or threatening if she only knew how to ensure that her toddler/child/teen would thrive and act responsibly without such painful measures. Raising Our Children, Raising Ourselves is the answer to this universal wish. It is not about gentle ways to control a child, but about a way of being and of understanding a child so she/he can be the best of herself, not because she fears you or seeks your approval but because she wants to, of her own free will. Aldort's guidance takes the struggle out of parenting. The book is full of real life stories, often leaving the reader moved to tears or laughter and relieved to discover that there is a kinder way. The SALVE communication formula has been praised for providing a hybrid of The Work of Byron Katie and Nonviolent Communication. It gives parents the tools to move beyond their initial unproductive reaction, to a response that is connecting and empowering to the child and to themselves.

Reviews

Simply no words to explain. It really is basic but shocks from the fifty percent of the ebook. I am just happy to explain how this is the finest pdf we have read within my personal life and could be the best ebook for possibly.

-- **Blair Monahan**

An exceptional ebook and the font employed was fascinating to read through. I actually have study and so i am certain that i will likely to read once again yet again in the future. Your life period is going to be change as soon as you complete looking at this book.
