The herd of pretentious people who in England follow the magazines have come to certain conclusions which our Transatlantic cousins have as yet by no means accepted. We may in this country hold certain opinions, definite or indefinite, orthodox or heterodox, as the case may be, without bringing down contempt upon ourselves; but there are forms of thought, objects of interest even, which it is not safe to touch. Thomas Taylor - the Platonist, as he is called - though saturated with Greek learning, was a self-taught man, and therefore never acquired the kind of scholarship which is useful for schoolmasters and has a commercial value at British universities. His English style, too, though clear enough was not by any means bright or terse. It has therefore been the fashion during the last half-century for prigs, who find it by no means easy to stumble through a chapter in the Acts, to jeer at him as a man who translated Aristotle and Plato without knowing the Greek grammar. Silly as all this is, we do not well to be angry. The same young men will assure us with edifying calmness that the Pauline epistles present no difficulties to them, and that they have quite made up their minds on the question of the authorship of the Hebrews. Learning in the United States is at present running in different channels from those in which...
