

From Roots to Wings: Successful Parenting African American Style

By James Young

African American Images. Paperback. Book Condition: new. BRAND NEW, From Roots to Wings: Successful Parenting African American Style, James Young, Merging theory with practical advice, this guide recognises the unique challenges facing African American parents and offers successful parenting strategies to overcome them. Peer pressure, television, and rap music seem to be socialising today's black youth, but this book argues that parental attention is more powerful. Case studies and other research look at expectations, listening, goal-setting, careful time management, nutrition, attention to academics and grades, consistency, prayer, and quality time, and their effectiveness in strong black families.

Reviews

The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
